

Eisai Magnolia Meals at Home®

Magnolia® – Partners Along the Patient Journey embodies the Eisai *human health care (hhc)* mission of placing patients at the center of everything we do. Eisai's *hhc* mission states that "We give first thought to patients and their families, and to helping increase the benefits health care provides."

Magnolia Meals at Home® was developed to help meet the evolving needs of patients living with kidney cancer and their families. Through a partnership with CancerCare®, Cancer Support Community®, Cornucopia Cancer Support Center®, and Meals on Wheels America, Magnolia Meals at Home provides meals that are nutritionally geared toward patients living with kidney cancer and their families.
