A MESSAGE FROM CORNUCOPIA

Dear Friends,

Please join us for Cornucopia's **15th Annual Golf Tourney** benefit this year for what promises to be a terrific day on the links, supporting the Triangle's only non-clinical cancer support center.

When times are difficult, as they are now, our community needs the services and resources of Cornucopia. As cancer rates continue to escalate in the Triangle and people find themselves with fewer options, the free services provided by Cornucopia provide an invaluable source of hope, help and resources to anyone journeying with cancer.

The Cornucopia board and staff members have organized a great golf experience, contests and awards, door prizes, and two delicious meals—all of which will combine to create a memorable and competitive day of golf and philanthropy.

Your participation helps us raise funds so that we can continue to offer essential support services to cancer patients and their families in the Triangle area. Your support will improve the quality of life for those touched by cancer in our communities. So tee off with us on Monday, October 21 and come support Cornucopia!

Sincerely,
The Cornucopia Leadership Team

Renewing the lives of cancer patients
and their families for 24 years.
